

James Larson
State Secretary 2023-2024

January 2024

Worthy Financial Secretary:

Attached is the **Delegate Election Form** for councils planning to participate in the 2024 California State Council Annual Meeting to be held in May 2024. The information contained in this package has been emailed to the Financial Secretary of record, and if 'not known' then to the District Deputy of record. Upon receipt, this information needs to be processed immediately.

Councils who are in good standing with both Supreme and the State Council and who plan to participate in the 2024 State Annual Meeting **MUST** complete these forms.

Your assistance in completing and forwarding your council's delegate information will ensure that your delegates will receive a smooth process. Please remind your delegates that their primary purpose and responsibility is to represent their Council at the annual meeting.

Please take the time to research and complete the Necrology Report for your Council and return it to the **State Office no later than April 27, 2024**. This report should include all members of your Council who have passed away since the last report submitted, with the date of death and the highest office held at any time during their years in the Order.

The web site at <http://www.californiaknights.org> has the latest information on the annual meeting and additional copies of these forms and instructions. If you have any questions, please contact the State Office via email at state.office@californiaknights.org or via phone at 909-434-0460 ext 1.

Yours in Service,

James Larson
